

A black motorcycle is parked on a sandy beach. The sand is light brown and shows several footprints. In the background, the ocean waves are breaking onto the shore. The motorcycle is a cruiser style with a large headlight, mirrors, and a black seat. The text "Welcome to Casa DeDa" is overlaid on the image in a white, cursive font.

A serene sunset scene over a vast ocean. The sun is a bright, glowing orb positioned slightly left of the center, just above the horizon. Its light creates a shimmering, golden path of reflection that stretches from the horizon down to the sandy beach in the foreground. The sky is a gradient of colors, starting with a deep blue at the top, transitioning through soft pinks and oranges near the horizon. The ocean's surface is textured with gentle waves, and the beach in the foreground shows some dark, possibly seaweed-covered, patches. Overlaid on this scene is the text "Enjoy Your Stay" in a large, elegant, black cursive script. The words are arranged diagonally across the frame, with "Enjoy" on the left, "Your" in the middle, and "Stay" on the right, partially obscuring the sun and its reflection.
